

## Embellisher Stream Consulting Service Pricing

The following fees apply to fully integrate the three streaming platforms into your present website, or you can run your operations completely from our main video/podcasting/TV platform, the [Embellisherstream.com](http://Embellisherstream.com):

1. One-time cost setup of all three platforms, including branding with your logo: \$300.00
2. If you want us to organize and upload your videos and setup the monetization with technical support included: \$200.00 (one-time cost).
3. For each campaign you want us to do, which includes the creation and monetizing of the marketing ePub3 vehicle inside the [Embellisher Multimedia Marketing platform](#): \$100.00
4. For technical support and streaming supervision of each livestream event through your Embellisherstream.com platform: \$200.00
5. For creation of interactive ePub3 novels and non-fiction books to sell and market: priced according to media used, number of pages, and layout designs needed. Please [contact us](#) with your specifications.
6. For creation of quality podcasts and audiobooks to sell through your Embellisherstream.com account: broker service with a quality vendor. Otherwise, you DIY.
7. For creation of quality livestream studio recording and delivery to your Embellisherstream.com account: broker service with quality vendor. Otherwise, you DIY.

[Email](#) or [setup a live conference with us](#) to discuss details.
